

Sussex County Netball Association

BURSARY INFORMATION

General Information

The aim of the Sussex County Netball Association (SCNA) is to support and facilitate the development of netball within Sussex. The SCNA recognises that the costs associated with this development, for example attending coaching courses, setting up a new club or qualifying for a national tournament, can present a significant barrier. To this end the Sussex County Netball Association Bursary is available to affiliated members within the county with the aim of supporting this development.

The bursary is open year round, and applications will be welcomed and assessed four times a year. Funds will be assessed on an individual basis and applicants will hear back from SCNA within a month of a closing date.

Eligibility criteria

- All applicants must be affiliated to Sussex County Netball Association for the current season and a minimum of 1 season prior to the current.
- Only one bursary per team/club can be awarded per annum
- Bursaries will be assessed by the SCNA on an individual basis
- Full course details must be given if an individual is applying for a coaching/officiating course
- Applicants must clearly show how they will contribute to the development of netball within Sussex should they be successful in applying for qualification funding support.
- SCNA will not support applications for courses that have already been attended.

Funding

Sussex welcomes bursaries from individuals and teams or clubs.

To this end the bursary is open to any projects which can promote and/or development netball within the county.

Example projects:

- Attending a UKCC Netball Coaching Course or conversion course,
- Attending an officiating course or assessment
- Attending other appropriate CPD courses (such as England Netball workshops, First Aid, Safeguarding, Sports Coach UK workshop etc.)
- Sourcing equipment for a new junior club or back to netball club
- A contribution towards an England Netball national round tournament

If successful, SCNA bursaries of up to one third (33%) will be awarded.

Applications will be assessed on an individual basis, and any awards granted are at the discretion of the Sussex County Netball Association.

How do I apply?

- Applicants will need to complete an application form and return to the Sussex County Netball Association by the following deadlines.
- All applications must be counter signed by either a referee.
- Additional support for applications can be obtained from the Netball Development Officer if your request will help to support/develop England Netball's programmes (Back to Netball, Walking Netball, etc.)

Notification

Applicants will be notified as to the success of their application a maximum of a month after they submitted the form.

Any award will be paid by cheque to the applicant and sent to the address stated on the application form.

Resources

Every effort will be made to support applications made, however this is not a guarantee of funding.

Priority will be given to individual's/clubs/teams who are submitting a bursary application for the first time.

The SCNA Bursary is managed by the County Netball Association and as such may be closed, without notice, at the committee's discretion.

Applications

Printed applications should be posted to:

Sussex Netball, 9 Thornbush Crescent, Portslade, Brighton, BN41 2GW

Electronic applications should be sent to Sheila Martin, County Secretary:

she.martin@hotmail.co.uk
